TRAINING / PARADE NIGHTS

- Cadets **cannot** be dropped off prior to 6:00 PM.
- Parents/guardians **MUST** sign-in their cadet upon arrival and sign-out their cadet at pickup. Cadets **MUST** report to the Administration Officer for Attendance before joining the Deck.
- Parents/guardians are requested to arrive prior to **8:45 PM** for announcements. The Commanding Officer will have important updates and information for parents/guardians at that time.

ATTENDANCE

Cadets are expected to attend training nights **regularly**. Their attendance factors into selection for cadet opportunities that have space limitations, such as our summer sailing program.

★ If your cadet will be away, contact the Corps in the WhatsApp Attendance group, or by phone/email as soon as possible **before training begins**.

NAVY LEAGUE UNIFORM

Uniforms may be issued when a new cadet attends 4 consecutive training nights. It is expected that cadets take proper care of uniform parts as per the maintenance handout provided by the Supply Officer. Parents/guardians are responsible for reimbursing the Corps for missing or damaged items.

★ If your cadet outgrows a uniform part, contact the Corps in the WhatsApp Uniform group or email **before Thursday morning** so the Supply Officer can have the items ready for Friday.

CANTEEN

Snacks and beverages are available at a nominal cost to cadets during training nights. Cadets may bring their own snack/drink if they prefer, and are also strongly encouraged to bring a refillable water bottle labeled with their name.

★ To purchase a canteen card or top up an existing card for your cadet, see the Branch member on deck on Friday evenings.
